

NOTIFICATION OF PROJECT - F10

Note

1. This form can be used to notify any project covered by the Construction (Design and Management) Regulations 1994, which will last longer than 30 days or 500 person days. It can also be used to provide additional details that were not available at the time of initial notification of such projects. (Any day on which construction work is carried out (including holidays and weekends) should be counted, even if the work on that day is of short duration. A person is one individual, including supervisors and specialists, carrying out construction work for one normal working shift.)
1. The form should be completed and sent to the HSE area office covering the site where construction work is to take place. You should send it as soon as possible after the planning supervisor is appointed to the project.
2. The form can be used by contractors working for domestic clients. In this case only parts 4 - 8 and 11 need to be filled in.

HSE - For official use only
